Subject: Annual Escalation factor for expenditure projections to be considered for the year 2015-16 for BOT operator governed under Tariff Guidelines of 2005.

Sir,

As stipulated in the tariff guidelines of 2005, this Authority, at the beginning of every financial year, announces the escalation factor to be considered for the expenditure projections to be applied in the tariff cases of the BOT terminals governed under the tariff guidelines of 2005 for the tariff cases to be decided during the said year.

2. Accordingly, this Authority announces the escalation factor of 3.82% for the expenditure projections to be applied in all tariff cases of BOT terminals governed under the tariff guidelines of 2005 for the tariff cases to be decided in the financial year 2015-16.

3. This issues with the approval of Competent Authority.

Yours faithfully,

(Anuradha H. Sharma)
