NOTIFICATION

In exercise of the powers conferred by Section 49 of the Major Port Trusts Act, 1963 (38 of 1963), the Tariff Authority for Major Ports hereby extends the validity of rate structure of Kandla lands for categories ‘A to G’ of Deendayal Port Trust as in the Order appended hereto.

(T.S. Balasubramanian)
Member (Finance)
This case relates to a proposal filed by Deendayal Port Trust (DPT) for extension of
the validity of the rate structure for Kandla lands of DPT.

2.1. The lease rental for the Kandla lands for categories ‘A to G’ of DPT was last revised
by this Authority vide Order No.TAMP/24/2014-KPT dated 13 November 2014. The lease rental
revised by this Authority was given retrospective effect from 01 January 2014 and valid for a period of
five years, i.e. up to 31 December 2018. The DPT was requested vide our letter dated 05 November
2018 to expedite filing of its proposal for revision of rentals of DPT land to avoid delay in notification of
rates. This was followed up by reminder letter dated 14 August 2019.

2.2. The existing rate structure for the Kandla lands for categories ‘A to G’ of DPT was
last extended based on the request of DPT vide Order No.TAMP/24/2014-KPT dated 10 October
2019 from the date of expiry till 31 December 2019 or date of effect of notification of the revised lease
rentals based on the tariff proposal to be filed by the DPT, whichever is earlier as sought by DPT. In
the said Order, DPT was directed to file its proposal for revision of rate structure of Kandla land by
30 November 2019. The DPT has, however, not filed the proposal till date.

3.1. The DPT, vide its letter dated 17 January 2020 has now submitted that the proposal
for revision of rate structure and fixing of reserve price/market value of Kandla land and land from
village Veera to Jungi which includes Kandla, Tuna, Kharirohar and Bachau excluding salt land for
the period from 01.01.2019 to 31.12.2023 was placed before Board at its meeting held on
06 December 2019. However, Board of Trustees of DPT have observed that proposal needed
detailed study and suggested to defer the same for next meeting. Accordingly, the proposal was
defered and will be placed before the Board for deliberation and consideration in ensuing Board
Meeting of DPT and hence, the finalization of rates applicable w.e.f 01 January 2019 will take some
more time, Hence, DPT has requested to extend the validity of existing rates for further 6 months i.e.
30 June 2020 or till the date of effect of notification of revised lease rentals based on tariff proposal to
be filled by DPT, whichever is earlier, with 2% escalation. The DPT has requested that the revised
rates to be proposed for revision of rate structure of Kandla land of DPT, is to be given retrospective
effect from the date of expiry of last revision or rate structure of Kandla land of DPT
i.e. 01 January 2019.

3.2. Bringing out the above position, the DPT has requested this Authority to extend the
validity of existing rates for further 6 months i.e. till 30 June 2020 or till the date of effect of notification
of revised lease rentals based on tariff proposal to be filled by DPT, whichever is earlier, with 2% escalation.

3.3. Since the validity of the rate structure for Kandla lands for categories ‘A to G’ has
expired on 31 December 2019 and in view of the request made by the DPT, this Authority extends the
validity of the existing rate structure of the Kandla lands for categories ‘A to G’ from the date of its
expiry till 30 June 2020 or till the date of effect of notification of the revised lease rentals based on the
tariff proposal to be filled by the DPT, whichever is earlier as sought by DPT.

4.1. The Land Policy Guidelines of 2014 issued by the Government (based on which the
rate structure for Kandla lands for categories ‘A to G’ of DPT has been fixed in November 2014)
stipulates that the lease rentals approved by this Authority shall be escalated by 2% per annum till
they are revised by this Authority. The Order approved by this Authority in November 2014 also
prescribes a specific condition in this regard. This condition also prevails in the amended Land Policy
Guidelines, 2014 issued by the MOS. Since the existing Rate structure already prescribes annual
escalation @ 2% in the lease rentals till such time the rates are revised by the Authority and in line
with the guidelines issued by the Government, the annual escalation @ 2% will continue to apply
during the extended validity period of the rate structure for Kandla lands for categories ‘A to G’ of DPT.

4.2. However, it is to be noted in this regard that the extension of the existing lease rentals with an annual escalation of 2% is only a provisional arrangement to avoid a vacuum in the current scenario. The lease rentals to be fixed for the Kandla lands for categories ‘A to G’ based on a proposal filed by the DPT in this regard will have to be given retrospective effect, as requested by the DPT.

5.1. In the result, and for the reasons given above, this Authority extends the validity of the existing rate structure for Kandla lands for categories ‘A to G’ of DPT from the date of its expiry till 30 June 2020 or date of effect of notification of the revised lease rentals based on the tariff proposal to be filed by the DPT, whichever is earlier.

5.2. The DPT is directed to file its proposal for revision of rate structure for Kandla land by 15 March 2020.
