ORDER
(Passed on this 27th day of January 2012)

This case relates to extension of the existing interim tariff arrangement for levy of charges for cargo management services rendered by MbPT at its CFS.

2. This Authority in its Order No. TAMP/17/2011-ICTPL dated 29 June 2011, has, inter-alia, approved the charges for cargo management services provided by MbPT at its CFS, as an interim arrangement, for a period of six months from the date of notification of the Order, by amending the relevant provisions of the existing Scale of Rates of MbPT. The Authority also advised the MbPT to come up with a well analysed proposal for levy of separate cargo management charges for the services provided by the port at its CFS, duly justified by cost details, within a period of three months from the date of notification of the Order. The interim tariff arrangement approved by this Authority vide Order No. TAMP/17/2011-ICTPL dated 29 June was valid till 10 January 2012.

3. The MbPT vide its letter dated 10 January 2012 has stated that the proposal for levy of separate cargo management charges for the services provided by the port at its CFS is being finalised and placed before its Board and on approval by its Board, the proposal will be forwarded to TAMP. Hence, the MbPT has requested to extend the validity of the interim tariff approved vide Order dated 29 June 2011 for further 3 months.

4. Since the validity of the interim tariff arrangement has expired on 10 January 2012, it is necessary to extend the validity the existing arrangement beyond that date. Therefore, this Authority extends the validity of the existing Clauses 7(a) to (d) of Section 5H, Chapter-V of the Scale of Rates of MbPT till 10 April 2012 or till the effective date of implementation of the Order to be passed by this Authority on the proposal to be filed by MbPT, whichever is earlier. Consequently the existing Clause 7(e) of Section 5H, Chapter-V of the Scale of Rates of MbPT is replaced with the following:

“7(e) The provisions at 7(a) to (d) above shall be valid till 10 April 2012 or till the effective date of implementation of the Order to be passed by this Authority on the proposal to be filed by the MbPT, whichever is earlier, unless specifically extended by this Authority.”

5. The extension of the validity of the interim tariff beyond 10 January 2012 as stated above is subject to the condition that if the rates to be approved by this Authority based on the proposal to be filed by the MbPT in this regard is lower than the existing interim rates, the MbPT shall refund the difference, being the excess amount collected by it for the period commencing from 11 January 2012, till the effective date of implementation of the revised rates to be fixed, to the concerned parties.
