NOTIFICATION

No.TAMP/90/99-TPT - In exercise of the powers conferred by Sections 48, 49 and 50 of the Major Port Trusts Act, 1963 (38 of 1963), the Tariff Authority for Major Ports hereby amends the Scale of Rates for the Tuticorin Container Terminal operated by the PSA SICAL Terminals Limited, as in the Order appended hereto.

SCHEDULE

CASE No.TAMP/90/99-TPT

THE PSA SICAL TERMINALS LIMITED ... APPLICANT

ORDER

(Passed on this 15th day of March 2000.)

This Authority had passed an order on 8 December 1999 in case No.TAMP/90/99-TPT about fixation of tariffs for PSA SICAL Container Terminal at the Tuticorin Port. This Order was notified in the Gazette of India Extraordinary Part III Section 4 on 28 December 1999 vide Gazette No.110.

2. There have been some omissions in the Scale of Rates of the PSA SICAL attached as Annex – I to the said Order. We, therefore, hereby make the following corrections in the Order dated 8 December 1999 and notified on 28 December 1999:

(i). In Annex–I – PREFACE, in paragraph No.3.4, under the heading “General” it was mentioned that the charges for containers more than 40’ and upto 45’ in length will be 200% of the applicable charge. However, charges for container operation for all the items under SECTION – A the heading was inadvertently given as “Container Exceeding 20 Feet In Length” instead of “Container Exceeding 20 Feet and upto 40 Feet In Length”. The relevant heading in paragraphs 1.1, 1.2, 1.3, 1.5, 1.6, 1.8 (a), 1.9, 1.11(a), 1.11(b) and 1.11(c) under SECTION – A of Annex –I to the Order dated 8 December 1999 is, therefore, deleted and substituted by the following:
(ii). In Annex – I to the Order in paragraph 1.7 (c) under SECTION–A the heading was inadvertently given as “Supply of electricity (including connecting and disconnecting, monitoring at Reefer yard)” instead of “Supply of electricity (including connecting and disconnecting, monitoring at Reefer yard) per shift or part thereof”. Accordingly, the existing heading in paragraph 1.7 (c) under SECTION – A of Annex – I to the Order is deleted and substituted by the following:

“Supply of electricity (including connecting and disconnecting, monitoring at Reefer yard) per shift or part thereof”

3. Arising from this reference, and in order to make the expressions clear without any ambiguity, this Authority amends some of the paragraphs under the heading ‘General’ in Annex – I – PREFACE to the Order dated 8 December 1999 as follows:

(i). The existing paragraph No.3.4 is deleted and substituted by the following:

“3.4. In general, all charges for containers exceeding 20 feet in length and upto 40 feet in length will be 150% of the rates applicable to containers not exceeding 20 feet in length. Charges for containers more than 40 feet and upto 45 feet in length will be 200% of the rates applicable to containers not exceeding 20 feet in length.”

(ii). The existing paragraph No.3.5 is deleted and substituted by the following:

“3.5. Containers that can only be handled with a quay crane or transfer equipment spreader with special attachments or manual slings will be charged five times the rates applicable to containers of equivalent length.”
